

MATERIAL SAFETY DATA SHEET

606

SECTION 1 Product and Company Information

Product identifier Rustlick 606

Product use Moisture-absorbing rust preventative

Manufacturer ITW ROCOL North America
3624 West Lake Avenue
Glenview, Illinois 60026
1-800-452-5823

Emergency info CHEMTREC, 1-800-424-9300

SECTION 2 Hazards Identification

Emergency overview No hazards resulting from the material supplied.

HMIS rating

Health	1
Flammability	2
Reactivity	0
Personal protection	B

Routes of entry Skin, eyes, respiratory tract, digestive system.

Potential short-term health effects

Skin	May cause mild irritation.
Eyes	May cause mild to moderate irritation.
Inhalation	May cause irritation to nose and throat. Inhalation of vapors or mist may cause headache, dizziness, and drowsiness.
Ingestion	Harmful if swallowed. Ingesting large quantities may cause injury or death.

Potential long-term health effects Not known

SECTION 3 Chemical Composition/Hazardous Ingredients

Ingredients	CAS #	OSHA/PEL (TWA)	ACGIH/TLV (TWA)
Synthetic isoparaffinic hydrocarbon	64742-47-8	5 mg/m ³	5 mg/m ³
Heavy naphthenic petroleum oil	64742-52-5	5 mg/m ³	5 mg/m ³
Hexylene glycol	107-41-5	25 ppm ceiling	25 ppm ceiling

* Exact chemical identities and percentages are withheld as trade secrets provided under 29CFR.1910.1200.

SECTION 4**First Aid Measures**

Skin contact	Immediately wash the exposed area thoroughly with soap and water. Remove contaminated clothing. Wash before reuse. If irritation persists, consult physician.
Eye contact	In case of contact, immediately flush with water for at least 15 minutes. If irritation persists, consult physician.
Inhalation	If inhaled, move to fresh air. If irritation persists, consult physician.
Ingestion	If swallowed, DO NOT induce vomiting. Contact a physician immediately. If vomiting occurs, keep head below hips to prevent aspiration of liquid into the lungs.

SECTION 5**Fire Fighting Measures**

Flammable limits	Not available
Products of combustion	Oxides of carbon (CO, CO ₂).
Flash point (method)	175°F (79°C) (PMCC)
Auto-ignition temperature	Not available
Explosion data	
Sensitivity to mechanical impact	None known
Sensitivity to static discharge	None known
Fire-fighting media and instructions	In case of fire use carbon dioxide, dry chemicals, or foam.
Special fire-fighting procedures/equipment	Self contained breathing apparatus and protective clothing is recommended to protect fire fighters from any hazardous combustion or decomposition products. Pressure build-up in the closed container may occur due to heat exposure.

SECTION 6**Accidental Release Measures**

Personal precautions	Use appropriate safety equipment. Avoid inhaling vapors or mist. Avoid contact with eyes, skin and clothing.
Environmental precautions	Do not allow spilled product to enter drains, sewers, or waterways.
Cleanup	Ventilate area. Eliminate all sources of heat and flame. Stop leak if safe to do so. Contain spill. Use noncombustible absorbent material, such as vermiculite or sand. Place in suitable container for later disposal.
Prohibited materials	None

SECTION 7**Handling and Storage**

Handling	Use appropriate safety equipment. Use with adequate ventilation. Avoid contact with eyes, skin and clothing. Keep away from extreme heat. Keep container closed when not in use.
Storage	Store away from extreme heat, flame, or ignition sources. Pressure build up may occur due to heat exposure or temperature change. Release pressure by slowly opening container.

SECTION 8**Exposure Controls and Personal Protection****Hygiene measures**

Avoid contact with eyes, skin and clothing. Do not eat, drink, or smoke while handling this product.

Control measures

General ventilation should be sufficient. Providing approved respirators for emergencies, or when mist/vapor concentrations are unknown may be warranted. Availability of eye wash station, washing facilities and safety shower is recommended.

Personal protection**Skin**

Wear suitable glove. Chemical resistant gloves, such as polyvinyl chloride-coated, are recommended. Wear protective clothing suitable to prevent contact. Remove contaminated clothing and launder before wearing.

Eyes

Safety glasses are recommended.

Respiratory

Not normally required. Control vapor or mist concentrations below exposure limits through use of general or local exhaust ventilation.

SECTION 9**Physical and Chemical Properties****Physical state**

Liquid

Color

Red-brown

Odor

Mild

pH

Not applicable

Boiling point

> 212°F (100°C)

Melting/freezing point

Not available

Vapor pressure

Not available

Solubility in water

Insoluble

Specific gravity

0.83

Vapor density

> 1

Evaporation rate

< 1

Volatile organic compounds

72%

SECTION 10**Reactivity and Stability****Stability and reactivity**

Stable. Hazardous polymerization will not occur.

Conditions to avoid

Extreme heat.

Materials to avoid

Strong oxidizing agents.

Hazardous decomposition products

Thermal decomposition or burning will produce carbon monoxide and carbon dioxide (CO, CO₂).

SECTION 11		Toxicological Information	
LD50	Not determined for the product.		
LC50	Not determined for the product.		
Carcinogenic	None of the ingredients in this product are listed by IARC, ACGIH, NTP or OSHA as carcinogenic.		
Teratogenicity	No data		
Mutagenicity	No data		
Medical conditions aggravated by exposure	Skin disorders		
SECTION 12		Ecological Information	
Environmental toxicity	None reported		
Aquatic toxicity	No data		
SECTION 13		Disposal Considerations	
Handling for disposal	Absorb on suitable material and follow procedures listed below.		
Methods of disposal	Dispose of in a manner that is recommended by local, state, provincial and federal laws and regulations.		
SECTION 14		Transportation Information	
Proper shipping name	Combustible Liquid	Hazard class	Combustible III
DOT identification number	UN1268		
DOT shipping label	This product is regulated as a hazardous material according to DOT in bulk quantities (greater than 119 gal per package) only.		
SECTION 15		Regulatory Information	
WHMIS information	No data	CEPA information	No data
TSCA information	All ingredients are included in the TSCA inventory.		
SARA Title III	Contains no ingredients which exceed De Minimus reporting requirements.		
SECTION 16		Other Information	
Prepared by	/ITW ROCOL North America, Leroy Hitchcock, 1-800-452-5823		
Date of issue	December 15, 2011	Date of previous issue	December 15, 2008
